Custom Learning Materials
membership, because it's
AWESOME!

- Kim L., NC

Hands-down, LessonPix ranks
as one of the top must haves
for a school SLP.

- Seana E.,

I love that that I can access
Lessonpix from anywhere,
anytime I need materials.

- Katie M., AK

The very best site for visual
support for kids with special
needs and education that I have
ever seen! VERY affordable-
this is a must see for anyone
with a child with special needs.

- Sidther

Paid my \$36 and "Got 'er Done".
About 1/10 the time of trying to
do apraxia cards with Google
Images®. I feel very decadent
spending it since my school
owns Boardmaker®, but it's soooo
easy to do from home!
