Stay in the Classroom

I get to play in the classroom!
I can read, paint, and draw!
But sometimes I leave the classroom...
and it makes my teachers scared.
If I leave the classroom I will go to time out!
Do not leave the classroom!
The door says "STOP" so I know to STAY in the classroom.
I must wait at the door - only the teacher opens the door!
I stay in the classroom to play and be safe.
I can have fun with my friends and teachers in the classroom.
