

DRAMATIC PLAY

CORE WORDS

Want to play?
I put it on
You don't help me
Put it in there
Make more to eat
I got this!
I can do it
Can you help me?
Put that there
What do you like to eat?
Do you like it?
It is good!
Can you give me more?
I don't like it
That is different
Put it away
You make me happy
You look good
Can you open it?
Where does it go?
Turn it over
Show me more
No more drink
All done!
